AMU-PACOM 2021 AWARDS & MEDALS

CALL FOR NOMINATION

The African Mathematical Union (AMU) invites the nomination of eligible candidates for the AMU-PACOM 2021 Awards and Medals that will be presented during the 10th Pan African Congress of Mathematician (PACOM 2021) to be held in Brazzaville, Republic of Congo, from 2nd to 7th August 2021. The awards and medals are intended to foster innovative research and mentorship in all areas of mathematical sciences across the continent, recognize and honor outstanding contribution to the development of Mathematical Sciences through Africa.

The awards and medals will be in TWO major categories:

I. CATEGORY A: Outstanding Research & Mentorship Awards.

- Award in the field of Pure Mathematics .
- Award in the field of Applied Mathematics (this includes Computer Sciences and Engineering Sciences)

II. CATEGORY B: Outstanding Contribution to African Mathematical Sciences Development .

- Special Medals for identified Mathematicians who have contributed to the development of Mathematical Sciences across the African continent.

Eligibility: All African Mathematical Scientists residing and working within the continent of Africa are eligible to be nominated for the awards and medals.

Awards Criteria for the category A: For the outstanding research awards and medals, the nominated candidate should submit the following:

i.) Ten (10) most outstanding research publications of the candidate within the last 10 years in reputable Science Citation listed journals.

ii.) Four (4) Most Outstanding Published SCI Books

iii.) List of PhD students supervised and graduated within the last 10 years (include The candidates' name, thesis title, university and year the degrees were awarded).

iv.) List of International Conference Presentations within the last 10 years (Include the authors name, conference name and year)

v.) International Awards and Prizes

vi.) Brief CV of the candidate (not more than six pages (format: A4, Font size: Times 12)

vii.) Candidate brief citation to justify Nomination *(n*ot more than one page (format: A4, Font size:Times 12)

Awards Criteria for the category B: For Outstanding Contribution to African Mathematical Sciences Development, the nominated candidate should submit the following:

i)   Brief CV of the candidate, not more than six pages (format: A4, Font size: Times 12) including a list of 5 publications and contribution in published books.

ii) Nomination letter of motivation, stating the contributions of the nominee to the development of Mathematical Sciences across the African continent (one to two A4 pages, Times 12)

iii) List of Postgraduate students (MSc & PhD) supervised and graduated. (Include the candidates' name, thesis titled, university, year the degrees were awarded.

iv) List of Local, National and International Conference Presentations (Include the authors name, paper title, conference name, venue, year)

v)   National, regional, continental and international distinctions

 NOMINATION PROCEDURES: Nominations should be forwarded not later than Friday 26th February 2021 to:

Prof. Nouzha EL YACOUBI (AMU President , Chairperson of the AMU-PACOM 2021 Award Selection Committee)
